INVITATION FOR TENDERS

CTWRP-011 Lot №3 Renovation of distribution network in Tursunzoda city (part 2)

This Invitation for Tenders follows the General Procurement Notice for this project which was published on the EBRD website, Procurement Notices (www.ebrd.com) on 8090-GPN-41642 updated on 09.12.2015.

The State Unitary Enterprise (SUE) «Khojagiyu Manziliyu Kommunalni», hereinafter referred to as “the Employer”, intends using part of the proceeds of a loan from the European Bank for Reconstruction and Development (the Bank) and grants from the European Commission’s Investment Facility for Central Asia and the Bank’s Shareholders Special Fund towards the cost of the *Central Tajikistan Water Rehabilitation Project*.

The Employer now invites sealed tenders from contractors for the following works to be funded from part of the proceeds of the loan and the grant:

CTWRP-011 Lot №3 Renovation of distribution network in Tursunzoda city (part 2), including:

Replacement of distribution networks of water supply on Samarkandi street with a diameter from 160 to 530 mm and with a total length about 1700 m;

Replacement of distribution networks of water supply on the 15th district (site 1) with a diameter from 160 to 315 mm and with a total length about 700 m;

Replacement of distribution networks of water supply on the 15th district (site 2) with a diameter of 225 mm and with a total length about 700 m;

Replacement of distribution networks of water supply on the 15th district (site 3) with a diameter from 90 to 315 mm and the total length about 1700 m;

Replacement of distribution networks of water supply on Bobokulov street with a diameter from 110 to 355 mm and with a total length about 700 m;

Replacement of distribution networks of water supply on the 2nd district with a diameter from 90 to 225 mm and with a total length about 1600 m;

Replacement of distribution networks of water supply on H. Yusufi street with a diameter from 63 to 315 mm and with a total length about 1500 m;

Replacement of distribution networks of water supply on P. Tojiyev street with a diameter from 63 to 225 mm and with a total length about 2200 m;

Replacement of ferroconcrete manholes and distribution units, valves and other fittings in distribution networks of water supply in Tursunzoda;

Reconstruction of destroyed parts of roads and sidewalks as a result of piping.

Tendering for contracts to be financed with the proceeds of a loan from the Bank and of a grant is open to firms from any country.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

The Tenderer shall have an average annual turnover as prime contractor (defined as billing for works in progress and completed) for any of the last five years of not less than USD 2,000,000 (two million) or equivalent

The Tenderer shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means sufficient to meet the construction cash flow for the contract for a period of 4 (four) months, estimated as not less than USD 700,000 (seven hundred thousand) or equivalent, taking into account the applicant's commitments for other contracts

The Tenderer shall demonstrate that it has successful experience as prime contractor in the execution of at least three projects of a nature and complexity comparable to the proposed contract within the last five years and for the amount not less than USD 1,000,000 (one million) or equivalent

The Tenderer shall provide suitably qualified personnel to fill the following positions:

Contract Manager with experience in execution of similar nature and scope of works for at least 8 years, including at least 5 years in the position of Manager

4 Welders of PE pipes with a minimum 3 years experience in the position of Welder

4 Welders of steel pipes with a minimum 3 years experience in the position of Welder

The tenderer shall own, or have assured access to (through hire, lease, purchase agreement, availability of manufacturing equipment, or other means), the following key items of equipment in full working order, and must demonstrate that, based on known commitments, they will be available for use in the proposed contract. The Tenderer may also list alternative equipment which he would propose to use for the contract, together with an explanation of the proposal.

Loader Backhoe with a bucket capacity of 0.5-0.65 m³ - 2 pcs;

Automotive transport for transportation of cargo with a cargo capacity of up to 10 tons – 4 pcs;

Bulldozer with a capacity not less than 59 kW – 2 pcs;
