NTWRP-9.2: Construction of New Pumping Station Poymennaya in Kanibadam City

This Invitation for Tenders follows the General Procurement Notice for this project which was published in EBRD Procurement Opportunities 8300-GPN-40717 on 14 October 2011 and was recently updated on 27 May 2016.

SUE Khojagii Manziliyu Kommunalni (“KMK”) hereinafter referred to as the Employer, intends using part of the proceeds of a loan from the European Bank for Reconstruction and Development (“the Bank”), part of the proceeds of a grant from the Swiss State Secretariat for Economic Affairs (“SECO”) and part of the proceeds of a grant from the Special Climate Change Fund (“SCCF”) towards the cost of the North Tajik Water Rehabilitation Project (“NTWRP”).

The Employer now invites sealed tenders from Contractors for the following contract to be funded from part of the proceeds of the loan and the grants:

NTWRP-9.2: Construction of New Pumping Station Poymennaya in Kanibadam City; including the provision of all related installation and civil works:

- cleaning of 6 existing wells (3 groups with 2 wells in each group) and installation of pumping equipment;
- construction of 6 underground pumping stations above the wells;
- construction of a fence incl. gates around each group of wells (total 3 groups of wells);
- construction of a new 2-nd level water production facility including one pumping station, two water reservoirs with a capacity of 500 m³ each and a chlorination unit;
- installation of piping systems and valves on the water intake and water production facility;
- installation of external and internal electrical systems for the power supply to the wells and for the water production facility.

The implementation shall start in Q3 of 2016 and shall be completed within 12 months after signing the Contract including winter break.

Tendering for contracts to be financed with the proceeds of the Bank’s loan, SECO’s and SCCF’s grant is open to firms, joint ventures and consortiums from any country.

To be qualified for the award of the contract, Tenderers must satisfy the following minimum criteria:

- average annual turnover as lead contractor (defined as billing for works in progress and completed) over the last 3 years of USD 1,500,000.

- the Tenderer has satisfactorily executed at least (3) three projects of a nature and complexity comparable to the proposed contract within the last (5) five years, each with a value of at least USD 700,000, including at least (2) two projects on borehole cleaning using equipment capable to drill and clean boreholes up to a depth of 300 m.

The Tenderer shall demonstrate that he has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means sufficient to meet the supply, installation and construction cash flow for the contract for a period of 3 months, estimated as not less than USD 300,000 or equivalent, taking into account the applicant's commitments for other contracts.

The balance sheets and income statements (audited or confirmed by State Tax Authority) for the last 3 years shall be submitted and must demonstrate the soundness of the applicant's financial position, particularly showing long-term profitability. Where necessary, the Employer will make inquiries with the applicant's bankers.

Tender documents may be obtained from the office at the address below upon payment of a non-refundable fee of USD 200 or equivalent in a convertible currency.

The payment for the tender documents shall be made to the following bank account of SUE "Khojagii Manziliyu Kommunalii" (KMK):
