

Central and Eastern Europe Economic Congress
June 7 2017, 01:00 AM - 05:00 PM

Central and Eastern Europe Economic Congress is an initiative associated with the China Homelife Show trade fair, 06-08.06.2017.

Congress' mission is to:

- work towards cooperation between territorial and economic self-governances,
- lobby in favor of fostering economic exchange between Central and Eastern European entrepreneurs, including all facilitation related to import and export,
- create a platform for wide cooperation between economic operators from the Central and Eastern Europe and other regions,
- create an information exchange and economic promotion system for Central and Eastern European entrepreneurs,
- foster and deepen the cooperation between economic self-governance, territorial self-governance and state administration,
- represent interests of the entrepreneurs in all aspects relating to their economic activity,
- promote and foster high standards of economic activity, ethical business norms and promote social responsibility of business,
- support promotion and export of goods, services and capital of entrepreneurs associated with economic self-governance, including via cooperation with bilateral and multilateral chambers.

Congress' invitees include the Ministry of Foreign Affairs, Ministry of Development, Ministry of Agriculture and Rural Development, Ministers of Economy and Agriculture, Marshal's Offices, Central and Eastern Europe regional representatives, County Offices, City Presidents and Mayors, economic zone representatives, ambassadors of Central and Eastern European countries and China, as well as Chambers of Commerce from the US and Latin America.

The organizers expect approx. 50 foreign and 70 domestic chambers of commerce to participate.

Key guests will include Chinese traders interested in buying domestic goods, including food, devices, machines, cosmetics, highly specialized construction services and others.

Congress' framework program:

- Opening of Congress with representatives of Central Offices
- Debate: "Economic cooperation of central administration and Central and Eastern Europe economic self-governance" debate
Panelists - representatives of economy and agriculture ministries from Central and Eastern European countries
- Debate: "Regional administration and Central and Eastern Europe economic self-governance - economic cooperation"
Panelists - representatives of chambers and regional offices from Central and Eastern European countries
- Debate: "Chinese initiatives and regional projects: what will the 16+1 future look like"
Panelists - representatives of Chinese trading networks
- Debate: "Most common reasons for cultural misunderstandings: how to overcome them"
Panelists - Chinese exporters, experts
- Official signing of cooperation agreements between Central and Eastern European economic self-governances and US-Latin America economic self-governance

Catalog of Polish Export Goods and Services

The Catalog of Polish Export Goods and Services (KPPiUE) will be presented during the Central and Eastern Europe Economic Congress. The catalog is an independent, continually updated information and promotion platform uniting Polish entrepreneurs selling, or intending to sell, their goods and services on foreign markets.

The catalog will be delivered to foreign chambers, economic organizations and entrepreneurs via Polish diplomatic posts during trade fairs, workshops and trade missions. The catalog will be distributed to approx. 2,000 Central and Eastern European traders - the guests to China Homelife Poland. Inclusion in the catalog is free of charge. Applications for feature in the catalog are to be submitted online.

The catalog will be available primarily in English. Additional language versions are planned, including: Arabian, Chinese, Spanish, French, German, Portuguese, Russian and Polish.

Publishers of the catalog offer translation of the submitted text from English to local languages, in cooperation with specialized translators. Thanks to many years of international activity of the Polish Media Association, provided translators are available in Beirut (Lebanon), Shanghai (China), Madrid (Spain), Paris (France), Lisbon (Portugal) and Moscow (Russia).

Publishers of the **Catalog of Polish Export Goods and Services:**
