“AUGUST-KIY” LLC

Dear Partners!

Thank you for the opportunity to introduce you to the activities of "August-Kiy" LLC (Ukraine) and propose closer and productive cooperation with your company.

The main goal of "August-Kiy" LLC establishing in 1996 was to provide people with the basic vital food agricultural origin, namely cereals, flour and sugar in reasonable prices and high quality, convenient to use package. We also have the possibility to offer the following products of Ukrainian production: butter, sunflower oil, rabbit meat, chicken, beef. Please log on our website for more information: www.august-kiy.kiev.ua

The company does not change its tradition for the past 20 years and only continues to expand the range and produce a quality product for the population as a whole Ukraine and many other countries-partners (America, Canada, England, Korea), as evidenced by many national, and international awards.

Therefore offer the following advantages when working with us:

- *Certified system of food safety ISO 22000: 2005;*
- *BUREAU VERITAS Certification system;*
- *BRC Food Certification;*
- *The ability to supply products that meet Halal Certification;*
- *Flexible payment terms;*
- *Flexible delivery terms;*
- *Ability to produce Privat Label, the guarantee reliability and exclusivity packaging;*
- *Competitive prices;*
- *The ability to export weight products in bags, big bags and in custom;*
- *Professional and partnership approach to address issues (for fixed client manager, who promptly and efficiently respond to any comments or suggestions).*

P.S. For more details about our products and terms of cooperation you will be sent a separate letter (letters).

Sincerely yours,

Director “August-Kiy” LLC

A. Kiva
