

The Romanian Chamber of Commerce and Industry and the Laufer Foundation have the great pleasure to invite you to attend the Conference which will launch the „**Smart Start USA**” program on June 11th at 11:00 am, and will be held at CCIR Business Center, Al. I Cuza, et 4, section II, B-dul Octavian Goga no. 2, sector 2, Bucharest.

The purpose of the „**Smart Start USA**” program is facilitating the financing and supporting the access to the US market for a number of **10,000 SME's and entrepreneurs** annually.

The program aims to strengthen the strategic partnership between Romania and USA, with a special target related to its economic dimension, but also considering its cultural, social and educational environment.

Looking forward to welcoming you!

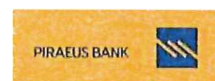

Mihai Daraban
