PETROCHEMISTRY FORUM
(PETROCHEMISTRY – 2018)**

November 26-30, 2018

**Minsk
Republic of Belarus**

DEAR COLLEAGUES,

**WE ARE PLEASED TO INVITE YOU TO
I INTERNATIONAL RESEARCH AND EDUCATION
PETROCHEMISTRY FORUM (PETROCHEMISTRY – 2018)**

FORUM ORGANIZERS:

- Belarusian State Concern for Oil and Chemistry (Belneftekhim)
- Ministry of education of the Republic of Belarus
- Belarusian State Technological University
- Ministry of Industry of the Republic of Belarus
- CIS Executive Committee
- Standing Committee of the Union State

FORUM CO-CHAIRMEN:

Ihar VOITAU

Rector of Belarusian State Technological University, D.Sc.

Ihar LYASHENKA

Chairman of Belarusian State Concern for Oil and Chemistry

DEPUTY CO-CHAIRMEN:

Aliaksandr TSYHANAU

First Vice-Rector of Belarusian State Technological University,
Academician of Belarus NAS, D.Sc., Professor

Oleg DORMESHKIN

Vice-Rector for Research, Belarusian State Technological University,
D.Sc., Professor

PROGRAM CHAIRMAN:

Andrei KASPEROVICH

Head of Department of Polymer Composite Materials, Belarusian State
Technological University, PhD, Associate Professor

BUSINESS COOPERATION COUNCIL OF THE CIS COUNTRIES AND THE UNION STATE

Date: 26.11.2018
Venue: Conference hall, academic building 3
Time: 10⁰⁰-12⁰⁰

Focus areas:

1. Estimation of CIS countries future needs for oil, gas and products of their processing for the coming 10-15 years.
 2. Joint research projects and coordination of joint development and implementation of targeted cooperation programs in oil and gas industries.
 3. Joint education, retraining and professional development of petrochemistry professionals in dedicated higher schools of the CIS countries.
-

SESSION OF BELARUSIAN-SLOVAK RESEARCH AND EDUCATION CONSORTIUM

Date: 27.11.2018
Venue: Conference hall, academic building 3
Time: 10⁰⁰-12⁰⁰

Focus areas of the Consortium:

1. Implementation of advanced educational technologies for joint training of engineering professionals at all cycles of tertiary and post-graduate education.
 2. Opportunities for exchange of students, professionals, academic staff members, consulting and visiting lecturers.
 3. Implementation of advanced technologies of modular training of engineering personnel, production and design engineers of tire industry.
-

SESSION OF BELARUSIAN-POLISH RESEARCH AND EDUCATION CONSORTIUM

Date: 27.11.2018
Venue: Conference hall, academic building 3
Time: 14⁰⁰-16⁰⁰

Focus areas of the Consortium:

1. Signing of the Agreement on Research and Education Consortium between Universities and Research Institutes of Belarus and Poland.
2. Development of the work schedule for training and education of scientific and engineering professionals for technology-intensive and innovative industries of Belarus and Poland as well as for implementation of high-technology projects.

I International scientific technical conference «Current state and development prospects of chemical and petrochemical complex»

Dates: 26-28.11.2018

CONFERENCE GOAL:

The conference aims at promoting contacts and exchange of scientific and technological advances among professionals engaged in chemical and petrochemical industries.

CONFERENCE SECTIONS:

1. Development prospects and strategies of petrochemistry in the world; export-import capacity for collaboration.
2. Prospecting, extracting and processing of oil and gas, petrochemistry.
3. Polymer composite materials. Paintwork materials. Advanced technologies and equipment for manufacturing of composite-based materials.
4. Elastomeric materials: physics and chemistry of rubber, raw materials for the production of elastomeric compositions, reinforcement of rubber, design and simulation of tires and rubber products, advanced technologies and equipment for the production of elastomeric materials and products.
5. Digital technology and automation in petrochemical industry.
6. Nanomaterials in polymer composites.
7. Instrumentation of processes. Improved energy efficiency of heat exchange equipment of the chemical industry.
8. Environmental challenges and ways of addressing them. Industrial waste management: problems, solutions, prospects. Recycling of polymer materials.
9. Training of highly-competent professionals at all cycles of tertiary and post-graduate education.

INTERNATIONAL ORGANIZING COMMITTEE

Co-chairmen:

I.V. VOITAU, Rector, Belarusian State Technological University, DSc (Engineering

I.V. LYASHENKO, Chairman, Belarusian State Concern for Oil and Chemistry

Deputy co-chairmen:

A.R. TSYHANAU, First Vice-rector, Academician of Belarus NAS, D.Sc., Professor

O.B. DORMESHKIN, Vice-rector for Research, D.Sc., Professor

International Organizing Committee Members:

I.A. STAROVOITOVA, First Deputy Minister of Education of the Republic of Belarus;

I.A. MARZALYUK, Chairman of the Standing Commission on Education, Culture and Science of the House of Representatives of the National Assembly of the Republic of Belarus;
