

Alphagrain AG

Registrasse 2, CH-6300 Zug, Switzerland

Reg № CHE-466.903.805

<https://alphagrain.com>

Alphagrain AG is engaged in the supply of grain, oilseeds and legumes. The country of origin of agricultural products is Ukraine. We can organize the supply of sunflower seeds, rapeseed, soybeans, corn, wheat and barley to your enterprises and warehouses in Romania and to the border transshipment railway junctions. To calculate the actual cost, send us the LOI, which will indicate the product, the required volume and the delivery point. To clarify the basic quality characteristics of products, details regarding payment terms and delivery terms, you may contact our regional manager
