

The image shows a modern building courtyard. In the foreground, there are several large potted plants, including a banana plant with large green leaves and some smaller green shrubs. The courtyard is paved with light-colored tiles. In the background, there is a building with a white wall and a large dark window. Above the window, there is a glass railing with a metal frame. The sky is visible through the glass railing, showing a clear blue sky with some clouds. The overall scene is bright and sunny.
